1. Your excellent performance as Chief of the [redacted] from October 1949 to September 1950 is deserving of special commendation. Your rapid organization of the [redacted] offices, the cooperation you elicited from occupation officials, your industry and good judgment in building up the [redacted] product and your responsiveness to suggestions from Washington combined to render the [redacted] a credit to [redacted] and to this Agency.

2. To this official assurance that you have made a significant contribution to the national intelligence effort I add my personal appreciation for a job well done.
